## **WHEN AND WHERE CAN I STREAM "Late Bloomers"?**

The new prequel to "**Late Bloomers**" will first be available for streaming on Starz for subscribers. Later on, the movie will also be released on Peacock thanks to an agreement between distributor Lionsgate and the NBC Universal streaming platform. Determining the exact arrival date of the movie is a slightly more complex matter. Typically, Lionsgate movies, like "John Wick 4," take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when "Songbirds Snakes" will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Lionsgate makes an official announcement. However, Late Bloomers you want to watch the movie even earlier, you can rent it on Video on Demand (VOD), which will likely be available before the streaming date on Starz.

## **WHERE CAN I STREAM THE ORIGINAL "Late Bloomers" MOVIES IN THE MEANTIME?**

Currently, you can stream all four original "**Late Bloomers**" movies on Peacock until the end of November. The availability of "Late Bloomers" movies on Peacock varies depending on the month, so make sure to take advantage of the current availability.
