Working Mechanism

GutOptim takes a natural approach to address digestive issues by targeting the root cause: an imbalance in gut bacteria. It combines prebiotics and probiotics to support a healthy gut microbiome and a special type of bentonite clay to cleanse the intestines. This combination aims to eliminate harmful microbes, repair the gut lining, and promote the growth of beneficial bacteria.

Ingredients and Benefits

1. **Black Walnuts:** Rich in antioxidants, black walnuts help reduce inflammation and support overall gut health.
2. **Konjac Glucomannan:** A natural fiber that aids in digestion, promotes satiety, and supports weight management.
3. **Apple Pectin:** A soluble fiber that enhances digestive function and promotes regular bowel movements.
4. **Prune:** Known for its laxative properties, prune helps alleviate constipation and supports digestive health.
5. **Bentonite Clay:** Acts as a detoxifier, binding to and removing toxins from the digestive tract.
