being a one man or a one woman show doesn't always pay off especially if you're just starting out recording a duo with an equally talented friend or making any other type of collab video can have a positive impact on the size of your fanbase it is important to choose the people you work with carefully because content creators that already have a lot of followers might not be interested in collaborating with you if the number of followers you have is significantly lower than theirs the people you choose to work with should also share your passion for the type of video you're hoping to create since there is no point in inviting someone to make a comedy video with you if their main interest is in fashion after selecting the person you're going to collaborate with you can use the tiktok's duet option that offers an easy way to create a music video with someone who shares your taste in music find your niche identify the type of content you enjoy creating and that resonates with your audience whether it's comedy dance educational or lifestyle videos consistency in your niche helps attract a dedicated follower base use trending sounds and hashtags stay updated with the latest trends on tiktok using popular sounds and hashtags can increase the visibility of your videos making them more likely to appear on the for you page fyp focus on video quality invest in good lighting and a decent camera to

improve the quality of your videos clear well lit videos are more appealing and likely to be shared i have to admit the shortcuts of growing tiktok followers are really attractive however every coin has two sides have you ever thought about the engagement rate of your content if the followers are not real in the long run i suggest you could try other tips to skyrocket growth on tiktok just keep reading every little detail matters when it comes to optimizing your profile the profile picture username or the personal information you provide can all leave a strong impression on people who visit your profile a long username that is hard to remember isn't going to help you gain more recognition mostly because everyone is going to forget it soon after they hear it pick a short and catchy username that stands out and try avoiding using different usernames on different social media accounts let others know what types of videos they can expect from you by mentioning that you love making fitness videos vlogs or simple music videos in which you showcase your singing talents however it is also indispensable to be as specific as you can so besides saying that you're producing fitness videos it's also helpful if you mention that you're making yoga or aerobics videos your profile is the first step to establishing communication with new followers which is why it is important to do everything you can to encourage others to hit the follow button and start communicating with you
