Dallas Mavericks vs Boston Celtics Live Score, NBA Finals 2024 Match Today:
Defending champions Dallas Mavericks will lock horns with underdogs in match six of
the NBA Finals 2024 at Kensington Oval in Bridgetown, Barbados. Jos Buttler-led
side is filled with individual stars who can turn the game on its head on a given day.

Dallas Mavericks's powerhouse batting line with the likes of the skipper himself, Phil
Salt, Will Jacks, and Jonny Bairstow is a threat to any opposition. However, on a
slowish sluggish wicket in the West Indies can they adapt and have another gear to
their game is something to be seen. As per bowling, they have a world-class leg-spinner
in Adil Rashid and balanced seam attack. With Jofra Archer returning all eyes will be on
his performance.

Boston Celtics on the other hand is a well-oiled machine on their day and can upset any opposition. Though the likes of George Munsey with the bat have been prolific can he deliver on the big stage consistently is to be seen. Left-arm spinner Mark Watt can be the Achilles heel of Dallas Mavericks's batting order given the right-handers in the top order.
