

how much does a coin cost on tiktok [#R2@XV]

Click This Button To Be Start

it is possible to spend coins purchased on tiktok to purchase gifs stickers and gifts which you can then offer to your favorite tiktokers in the hopes that they mention you or send you a greeting or to use them to purchase other items on the platform what this results in is a partnership that s truly authentic making it more trustworthy and convincing in other words don t hesitate to take a little bit of time to decide which brands to work with the diamonds are valued at 50 of the value of coins that means if someone gifts you something worth 500 coins then you ll be getting 250 coins each diamond is valued at 0 05 which means that tiktok will pay you 12 50 for this particular gift however the minimum withdrawal amount is 100 so you ll need to wait until the diamonds pile up to be able to cash them the coins in tiktok are equivalent to real money because after accumulating a certain amount of coins the platform allows you to collect them and use them to purchase items with the money you earned
