## **HOW I GET FREE TIKTOK FOLLOWERS USING THIS TRICK**

sharing new content at least twice a day will eventually get you a massive following because it will improve the exposure your videos are getting but you also have to post videos at the right time the magic posting hours on tiktok are between 11 am and 5 pm as your followers and their friends are most likely to use the app in that time frame get to know your audience and try to understand how frequently and at which hours they re using the tiktok app this will help you create a posting schedule that minimizes the chances of posting videos during parts of the day when they get the least amount of exposure upon our request made to you from time to time you will cooperate with us and allow us access to your systems communications and records solely in connection with determining your compliance with these terms as one of the largest tiktok community in the world tiktokers are able to help each other here to boost account in different aspects like growing free likes and followers importantly this app is free to use it is not possible to record videos with the tiktok app that last longer than sixty seconds therefore sticking to the one minute limit is probably the best way to ensure that your followers watch all videos you post on your account from the beginning until the end there is no time limit for videos you upload to your account so you can use your phone s camera app to

make videos that are longer than one minute however you should tread carefully since the longer duration of a video can discourage viewers from watching the entire video producing short music videos can be a challenging task but it is also a great way to showcase your creativity and inspire others to follow your work
