

WONDERSHARE FILMORA [#!"SHS] GET FREE FOLLOWERS ON TIKTOK IN 10 WAYS

[Click Here!](#)

it is not possible to record videos with the tiktok app that last longer than sixty seconds therefore sticking to the one minute limit is probably the best way to ensure that your followers watch all videos you post on your account from the beginning until the end there is no time limit for videos you upload to your account so you can use your phone s camera app to make videos that are longer than one minute however you should tread carefully since the longer duration of a video can discourage viewers from watching the entire video producing short music videos can be a challenging task but it is also a great way to showcase your creativity and inspire others to follow your work respond to commentsengage with your followers by responding to their comments this shows that you value their input and can encourage more interaction on your posts follow and collaborate with other creatorsbuilding relationships with other tiktok creators can help you reach new audiences collaborations and duets are excellent ways to gain exposure host live sessionsgoing live on tiktok allows you to interact with your followers in real time use this feature to answer questions share behind the scenes content or host mini events 7 participate in tiktok challengesjoin popular challengesparticipating in trending challenges can increase your video s visibility use the challenge s hashtag to join the conversation and get

noticed by a broader audience create your own challenges encourage your followers to participate in challenges you create this not only engages your current audience but can also attract new followers who want to join in the fun sharing new content at least twice a day will eventually get you a massive following because it will improve the exposure your videos are getting but you also have to post videos at the right time the magic posting hours on tiktok are between 11 am and 5 pm as your followers and their friends are most likely to use the app in that time frame get to know your audience and try to understand how frequently and at which hours they are using the tiktok app this will help you create a posting schedule that minimizes the chances of posting videos during parts of the day when they get the least amount of exposure
