

## YOUTUBE [#0;BX8] HOW TO INCREASE FOLLOWERS ON INSTAGRAM

lastly be patient and have realistic expectations the algorithm takes a while to turn in your favour but if you follow these methods and are consistent you will get tons of free instagram followers pretty fast a sudden follower spike is a red flag not to mention having bots stink up your account with endless spam followers this all damages your reputation and keeps you from growing an authentic instagram following as your account starts to grow and you get more comments you might not be able to respond to everyone but that doesn't mean you should give up entirely you can still like comments or just try to reply to as many as possible sometimes reaching out to profiles and businesses that are related to your brand or are relevant to you can turn out to be one of the great hacks for increasing free instagram followers of course when you start rapidly following accounts there are chances for a lot of them to follow you back however instead of doing that create a strong base by following those who share similar interests
