### Ingredients of ArcticBlast

ArcticBlast boasts a blend of natural ingredients known for their pain-relieving and anti-inflammatory properties:

1. **Menthol:** Provides a cooling sensation that distracts from pain and improves blood flow.
2. **Camphor:** Acts as a topical analgesic to numb pain and reduce inflammation.
3. **Aloe Barbadosis:** Contains anti-inflammatory properties to reduce swelling and soothe discomfort.
4. **Arnica Montana Flower Extract:** Reduces inflammation and promotes healing.
5. **Wintergreen Oil:** Contains methyl salicylate, which relieves pain and reduces inflammation.
6. **St. John's Wort Oil:** Reduces inflammation and soothes nerve pain.
7. **Calendula Officinalis Extract:** Anti-inflammatory properties reduce swelling and discomfort.

### How ArcticBlast Works

ArcticBlast functions by penetrating deep into the skin upon application, targeting the root causes of pain:

1. **Soothing Effect:** Menthol and other cooling agents provide instant relief within 60 seconds.
2. **Anti-Inflammatory Action:** Ingredients like Arnica and Wintergreen Oil reduce inflammation, easing joint and muscle pain.
3. **Improved Blood Circulation:** Enhances blood flow to affected areas, delivering nutrients and oxygen for healing.
4. **Nerve Health Support:** Helps in reducing pain signals sent to the brain.

### Usage Guidelines

- **Application:** Apply two drops directly to the affected area and gently massage until absorbed.
- **Frequency:** Can be used multiple times a day, as needed for pain relief.
- **Precautions:** Conduct a patch test before initial use. Avoid contact with eyes and open wounds.
