## how to get free coins on tiktok without human verification

**Click This Button To Be Start**

unlike with youtube where you sell space on your videos and channel page for advertising at a rate decided by google tiktok does not yet compensate most of its users for running ads on their posted photos as such tiktok influencers and brands don't have an intermediary or any set rates if they choose to work together brands make deals with influencers and prices can vary markedly depending on the circumstances however one thing is consistent in nearly all cases influencers get paid more if they have both a high engagement rate as well as a high number of followers brands have learned that you can easily buy followers who are of no practical value to anybody hence they are far more interested in you having genuine followers those who interact with your posts don't forget to interact with your viewers make sure that you reply to comments that people leave on your videos it may seem like hard work to you but it makes your followers believe you care and take notice of them no you can't coins once purchased cannot be refunded in any case the only option is that use those coins to purchase virtual resources on tiktok if you still need some money urgently and all you have is a few coins on your wallet you can do one thing just ask your close friends or followers if they need diamonds or other resources for their page if they need you can sell it to them in return of
