Like many other free-to-play games, Genshin Impact has an in-game currency called Primogems, which you'll quickly spend on Wish Items and Original Resin. To keep you interested, miHoYo (HoYoverse) regularly gives away Genshin Impact codes, as well as a slew of other freebies like Primogems, Mora, and Enchantment Materials.

We've compiled a list of constantly updated Genshin Impact codes to keep you going, but we all know you're here for the Primogems, so we've also compiled a list of the best ways to get more free Primogems.

While codes and limited-time events are the most convenient ways to obtain free Primogems, you can also obtain them the old-fashioned way by playing the game and participating in a few activities spread throughout the world.

1. Chests - If you come across any chests while traveling around the world, make sure to open them! These contain a small number of Primogems that may not appear to be significant at first, but add up over time! As an added bonus, rarer chests contain more Primogems, so keep an eye out for exquisite chests while playing.

2. **Quests** - If you have any unfinished quests, make sure to finish them if you want a quick injection of Primogems! Story quests and event quests are particularly rewarding, so keep an eye out for them.
3. **Daily commissions** - There is no better way to earn consistent packages of Primogems than to log in and do your commissions every day. These don't take long, and the rewards are substantial when compared to other options.
4. **Achievements** - You may not be interested in achievements in Genshin Impact, but they can be a good source of primo gems. This is especially true for some of the more difficult achievements, so check to see if you're nearing any major milestones for a quick Primogem prize.
5. **Exploring the map completely** - if you haven't traveled the entire length of the map yet, unlocking fast travel points and clearing the fog of war is a fantastic way for newer players to earn some quick primogems.
6. **Special promotion mail** - From time to time, MiHoYo will send out gifts to players, usually in conjunction with the release of a major update, a game anniversary, or your birthday! As a result, keep an eye on your inbox for these delightful surprises.
7. **Purchases in real money** - This is Genshin Impact, and as such, purchasing Primogems is the primary way to obtain a batch quickly. While you are not required to spend money, it is clearly the most dependable way to obtain the exact amount you require quickly. It's a good option if your wallet can take the hit.

Genshin Impact

MiHoYo created and published the action role-playing game Genshin Impact. It was released for Microsoft Windows, PlayStation 4, iOS, and Android in 2020, and for PlayStation 5 and Nintendo Switch in 2021. The game features an open-world anime-style environment as well as an action-based battle system that incorporates elemental magic and character switching. The game is free to play and is monetized through gacha game mechanics that allow players to unlock new characters and weapons. Using the games as a service model, the base game is regularly expanded through patches.

Genshin Impact takes place in Teyvat, a fantasy world with seven nations, each of which is linked to a different element and ruled by a different god. The protagonist of the story is The Traveler, who has traveled across numerous worlds with their twin siblings before becoming separated in Tivat. The Traveler, accompanied by Paimon, travels in search of the lost sibling and becomes involved in the affairs of That's nations.

The development of Genshin Impact began in 2017. Critics praised the combat mechanics and immersive open world, while criticizing the game's simplistic endgame and monetization model. In its first year of release, it had the highest first-year launch revenue of any video game, more than \$3 billion, and a revenue of more than \$4 billion as of March 2022.
