Overview

Xitox Foot Pads claim to assist in detoxification by drawing out toxins via the pores in the feet. They are formulated with several natural ingredients known for their detoxifying and health-supporting properties.

Key Ingredients

1. **Wood Vinegar (Pyroligneous Acid):** Helps draw out toxins, promotes blood circulation, and may reduce inflammation.
2. **Bamboo Vinegar (Chikusaku):** Known for eliminating foot odor, improving skin texture, and enhancing circulation.
3. **Tourmaline:** Emits far-infrared radiation, believed to alleviate stress, improve immune function, and reduce pain.
4. **Chitosan:** Derived from shellfish, it aids in detoxification and may support wound healing.
5. **Minus Ion Powder (Anion):** Neutralizes free radicals, boosts metabolism, and improves blood flow.

How They Work

Xitox Foot Pads are applied to clean, dry feet before bedtime. Overnight, they purportedly stimulate sweat production, evidenced by changes in the pad's color, indicating toxin removal.

Benefits

- **Detoxification:** Supports the body's natural detox process by eliminating toxins.
- **Pain Relief:** Users report reduced joint pain and increased mobility.
- **Improved Sleep:** Many users claim better sleep quality after using Xitox Foot Pads.
- **Natural and Safe:** Made from natural ingredients without reported adverse effects.
