challenges encourage your followers to participate in challenges you create this not only engages your current audience but can also attract new followers who want to join in the fun this is a simple and effective way to gain the attention of tiktok s most influential users pinpoint the most successful musers in your niche and follow and unfollow them until they follow you back although it may seem silly this strategy actually works because after enough attempts your favorite members of the platform will look at your profile and follow you back if they like what they see try to comment on their videos because tiktok stars share on their profiles can potentially increase the chances of being followed back especially if your comments are always on point some of the people whose work you appreciate maybe even willing to share their secrets and help you get more followers
