The supplement provides essential fiber and probiotics that support a healthy gut microbiome, leading to improved digestion and regular bowel movements.

### Key Ingredients

#### 1. Swiss Bentonite Clay:

Bentonite clay helps expel harmful bacteria and amoebas from the small intestine, supporting detoxification.

#### 2. Psyllium Husk:

#### 4. Flaxseed:

Rich in protein, fiber, and omega-3 fatty acids, flaxseed helps reduce inflammation and maintain bowel regularity.

#### 5. Prunes:

Prunes contain soluble and insoluble fibers that support digestion, nutrient absorption, and regular bowel movements.

#### 9. Aloe Vera:

Aloe vera gel helps alleviate stomach pain and inflammation, promoting hydration and regular bowel movements.
