WHEN AND WHERE CAN I STREAM "Kingdom of the Planet of the Apes"?

The new prequel to "**Kingdom of the Planet of the Apes**" will first be available for streaming on Starz for subscribers. Later on, the movie will also be released on Peacock thanks to an agreement between distributor Lionsgate and the NBC Universal streaming platform. Determining the exact arrival date of the movie is a slightly more complex matter. Typically, Lionsgate movies, like "John Wick 4," take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when "Songbirds Snakes" will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Lionsgate makes an official announcement. However, if you want to watch the movie even earlier, you can rent it on Video on Demand (VOD), which will likely be available before the streaming date on Starz.

WHERE CAN I STREAM THE ORIGINAL "Kingdom of the Planet of the Apes" MOVIES IN THE MEANTIME?

Currently, you can stream all four original "**Kingdom of the Planet of the Apes**" movies on Peacock until the end of November. The availability of "Kingdom of the Planet of the Apes" movies on Peacock varies depending on the month, so make sure to take advantage of the current availability.

HOW TO WATCH "Kingdom of the Planet of the Apes" 2024 ONLINE

As of now, the only way to watch "**Bad Boys Ride or Die**" is to head out to a movie theater when it releases on Friday, September 8. You can find a local showing on Fandango. Otherwise, you'll have to wait until it becomes available to rent or purchase on digital platforms like Vudu, Apple, YouTube, and Amazon, or available to stream on Max. "Kingdom of the Planet of the Apes" is still currently in theaters if you want to experience all the film's twists and turns in a

traditional cinema. But there's also now an option to watch the film at home. As of November 25, 2024, "Kingdom of the Planet of the Apes" is available on HBO Max. Only those with a subscription to the service can watch the movie. Because the film is distributed by 20th Century Studios, it's one of the last films of the year to head to HBO Max due to a streaming deal in lieu of Disney acquiring 20th Century Studios, as Variety reports. At the end of 2024, 20th Century Studios' films will head to Hulu or Disney+ once they leave theaters.

Those looking to watch Kingdom of the Planet of the Apes at home without the need for a streaming service will be able to do so when the film releases digitally. Paramount will eventually offer the option to buy or rent Kingdom of the Planet of the Apes through most major PVD services. No specific release date has been announced, but based on the studio's history, it is expected to be in February 2024. This would allow the film about a month of exclusivity in theaters before a more cost-effective viewing option becomes available for larger groups. Kingdom of the Planet of the Apes is currently playing in theaters worldwide.

Exciting News: Kingdom of the Planet of the Apes Hits Theaters in 2024!

Calling all Kingdom of the Planet of the Apes fans! Get ready for some fetch news. The highly anticipated Kingdom of the Planet of the Apes movie is set to hit theaters in 2024. Paramount has officially announced its release date, giving us something amazing to look forward to. And guess what? There will even be early "We Wear Pink" preview showings on Wednesday night. How cool is that?

Wondering how long the Kingdom of the Planet of the Apes extravaganza will be in theaters? While we don't have an exact duration just yet, we promise it will be worth every minute! And here's the exciting news: Kingdom of the Planet of the Apes won't have any direct competition from other movies like The Book of Clarence, so it will have its time to shine with its young, mostly female audience. But what about streaming? Fear not! Kingdom of the Planet of the Apes will eventually make its way to Paramount+. Though we don't have an official streaming release date yet, we can't wait to enjoy it from the comfort of our own homes. Originally planned as a Paramount+ exclusive, the studio decided to give it the big-screen treatment too. Paramount likes to keep us guessing, but based on their past releases, we might expect Kingdom of the Planet of the Apes to arrive on Paramount+ in February or March 2024. Now, if you're eager to own a digital copy, we have good news for you! Historically, the digital release happens in February, so mark your calendars and get ready to watch it over and over again! And what about other streaming platforms? Currently, Kingdom of the Planet of the Apes isn't available on Netflix, Crunchyroll, Hulu, or Disney+. But don't worry, we've got you covered. While you wait, you can explore thrilling options like Doctor Strange on Netflix or indulge in dark fantasy shows on Crunchyroll and Funimation. And for Hulu users, there are plenty of exciting choices like Afro Samurai Resurrection or Ninja Scroll to keep you entertained until Kingdom of the Planet of the Apes arrives. As for Disney+, it's expected that Kingdom of the Planet of the Apes will join the platform in late December. Disney loves to give their films the cinematic treatment before streaming, so we'll have to wait a little longer. But trust us, it will be worth it! So, mark

your calendars, gather your pink outfits, and get ready for the ultimate Kingdom of the Planet of the Apes experience in 2024. It's going to be so fetch! ★ 🦍 A F A F A F A 🦍 ★
