### Aizen Power Ingredients

This supplement contains iron that helps to keep the immune and digestive systems healthy.

Magnesium is also necessary for enhancing the body's synthesis of Nitric Oxide, which is beneficial to persons with ED.

Anemia is caused by a lack of copper in the body. You will no longer be able to sustain and maintain an erection since your body no longer contains copper. So, it is very essential to stay strong. Furthermore, it aids in the prevention of being overweight and being obese, both of which are factors that lead to ED.

Resveratrol is a type of plant-based micronutrient. Polyphenols are a type of antioxidant that helps to protect the body against disease. Polyphenols are abundant in many foods, including berries, grapes, and peanuts.

But red wine contains a high amount of resveratrol elements. This chemical contains anti-oxidant and anti-inflammatory properties. As a result, it has the potential to combat diseases such as Alzheimer's, cancer, and diabetes.

Alpha Lipoic Acid (ALA) has been linked to increased Nitric Oxide synthesis in the body. As a guy, you can use Nitric Oxide to support and maintain erections.

**Milk Thistle:** Silybum Marianum, commonly known as Milk Thistle is a plant species originally native to Southern Europe and Asia. It has been used in traditional medicine for centuries for its antioxidant, antiviral, and anti-inflammatory properties.

**Cayenne Pepper:** Cayenne Pepper is a type of capsicum that is commonly used to flavor dishes and to relieve toothache and sore throat.

However, they also have a lot of medicinal properties and can help with sexual health, and protecting the nervous system.

**Banaba Leaf:** Lagerstroemia Speciosa, also known as Queen's crepe-myrtle or the banaba is a plant native to the Philippines and Southeast Asia. It is primarily consumed as a remedy for sexual health problems, prediabetes, diabetes, and weight loss.

**Korean Ginseng:** Korean Ginseng or Panax, which roughly translates from Greek as "all-healing", the root of this plant had been widely used in traditional medicine. It is also used as a natural aphrodisiac and works as a natural libido booster in both males and females.
