another reason is that none of those followers will turn into customers since many of these accounts are fake they can't actually provide any value as potential leads or customers sure you might appear more legit with 20k followers as opposed to 5k and that legitimacy might turn into a few extra real followers who may have not followed you otherwise but for the most part people follow accounts because they like the content or the product not because they have tons of followers you'll see much more success with fewer numbers of followers who are really engaged with your product and content rather than a ton of followers who don't comment like share or buy the unlimited you never had before not 50 or 100 instagram free followers trial but unlimited free followers giving not 3000 or 5000 but unlimited free followers providing stop playing the puzzle game and give the original meaning back to unlimited if you've already got those first 1 000 instagram followers you could take the next step and aim for 10 000 it's no piece of cake though just over 15 of users manage to get between 10 000 and 50 000 instagram followers stormlikes is a renowned name in the social media services market providing a variety of instagram focused offerings including free followers they specialise in high quality real followers that adhere to instagram's guidelines making it a safe choice
